Project Summary

Cost: \$102,000,000
Square Feet: 194,000 GSF
Status: Complete
Funding: Student Fees
Completion Date: January 2014

Project Contacts

Executive Architect: Cannon Design
Design-Build Contractor: Sundt
Project Manager: Michael Woomer

Project Description

Aztec Student Union - Modern Space is a student funded project that replaced and expanded the old student union. The new building provides office space for Associated Students and student organizations as well as recreational activities and dining choices. The project seeks LEED Platinum certification while reflecting the original Spanish Mission Revival style of the original 1930's campus.
