

### **RECENT BUSINESS (Additional Information Items)**

**EO 875** - was included in the handout to illustrate the end result of a fee action that took place last semester. A MOTION to approve was made by Linda Stewart and seconded by Bill Boyd but was quickly withdrawn because the fee approval/action had already taken place.

Royal Mungie asked for an explanation as to what the Resident Affiliate Fee program is so Lori White of Student Affairs explained that the focus of this pilot program is to enhance the connection of first-year non-resident students through participation in residential hall programs and other activities designed specifically for this particular student population.

**College of Extended Studies Fee Changes** – A memo dated July 23, 2003 from Sally Roush to President Weber requesting that a CES Fee Schedule be revised to increase the maximum amounts for extension and special session contract courses and the fee for Open University Courses is attached. The Open University fee would be increased from \$165 to \$170 per unit effective for Fall 2003. Associated Students President, Juanita Salas, concurred with the needed changes since the action was required to avoid delay in distribution of the CES fall bulletin. EO 740 permits adjustment of extended education fees on an exigency basis without review by CFAC, but presented to the full CFAC as an information item. The Chair noted that she hoped that utilizing this process would be avoided in the future with timely requests from CES when subsequent fee changes are proposed.

**2002/03 and 2003/04 Fee Report** - Lists all fees for CSU. The 2003/04 report list has SDSU fees highlighted for information. Jeffrey Obayashi questioned the rates on several fees and it was explained by Ed Bulinski that that Category I and II fee (mandatory) levels are reflected in the report on an Academic Year basis, where as, Category III fee (user) levels are reflected on per use basis.

**Long Term Fee Policy** – Outlines proposed principles being considered by the CSU Trustees in establishing a long term policy.
