

ATTENTION ALL SDSU STUDENTS:

There will be an advisory student referendum on March 9-10, 2010 to gather student input on the following proposed increase in campus mandatory student fees:

Shall the current SDSU mandatory student body center fee be increased by \$94 – from the current amount of \$143 per semester (\$9.58 per unit up to maximum of \$113.38 for the summer term) to \$237 per semester (\$16.58 per unit up to maximum of \$187.38 for the summer term) – effective in fall 2013 for the purpose of replacing and expanding the campus student union facility?

Students interested in submitting pro or con statements for the voter pamphlet for this referendum should review additional information and instructions at <http://2010ASModernSpace.sdsu.edu>. Pro and con arguments must be received no later than 12:00 noon, Tuesday, January 26, 2010.

Anyone who has submitted a pro or con statement for the voter pamphlet by the deadline is invited to attend a meeting on Tuesday, January 26, 2010, at 2 pm in SS1608, where the statements to be published in the voter pamphlet will be selected.
