SPRING 2017 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Students will be liable for amounts that become due as a result of such change.

You must pay Tuition and Fees before you can access the Web registration system. "My Registration," available at the [SDSU WebPortal](#), contains registration and payment information. **The registration process is not complete until you are officially enrolled in classes. Payment of fees alone does not constitute registration.**

All Cashier Holds must be cleared prior to paying for registration. Payments to clear financial holds must be made by cash, debit cards, money order, or certified check. Inquire at Student Account Services for more information. Personal checks or credit cards will NOT be accepted.

Liability for Payment

It is the student's responsibility to be aware of total fees due whether or not an invoice is received.

Students with an approved Petition for Late Schedule Adjustment must pay in addition to the **\$20.00** late add fee any fees that may be due as a result of the added units. For example, a student enrolled in 6 units has an approved Petition to add 3 additional units. In addition to the \$20.00 late fee, the fees for the difference between part-time and full-time fees are due **BEFORE** the [Office of the Registrar](#) will process the add request.

Please note: Dropping a class after the schedule adjustment deadline (based on approved petition only) does not reduce your fee liability. If you are enrolled in 9 units and drop 3 units, you will still be liable for full-time Tuition and Fees.

Students submitting authorization to bill a third party for their Tuition and Fees will be held responsible for payment if the third party agency fails to pay.

According to Title 5, of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid.

Prospective students who register for courses offered by the university are obligated for the payment of Tuition and Fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay Tuition and Fees including any amounts due for the reservation of space in the course.

Tuition and Fees

Basic Tuition and Fees are required of all students. Nonresident and Graduate Business students pay the Basic Tuition and Fees as listed below and additional per unit tuition and fees (see Professional Business Fee and Nonresident Tuition sections below)

Thesis extension, other zero unit courses and half unit courses are charged as one unit for fee purposes. Auditors pay the same fee as students carrying courses for credit.

Professional Program Fee

Graduate students in the College of Business must pay **\$254.00 per unit** for all units taken as a requirement for graduation with the following degrees. This fee is in addition to Basic Tuition and Fees and Nonresident tuition.

- MS Accountancy
- MBA Master of Business
- MS Business Administration
- MS Information Systems

A fee waiver is available for courses that are not used to meet degree requirements (excluding prerequisite courses). Contact the Graduate Business Programs Office, EBA 448, for details.

To avoid late fees, the Professional Program Fee must be paid in full prior to the first day of classes. If you are subject to this fee and do not pay it in full prior to the start of classes, late charges may apply. Your registration may be cancelled if the Professional Program Fee is not paid prior to the 20th class day (census).

Tuition for Nonresident Students (Foreign or Out-Of-State)

In addition to Basic Tuition and Fees, foreign and out-of-state students will be charged tuition for all units attempted at a rate of **\$372.00 per unit**.

For tuition purposes, zero unit and half-unit courses are counted as one unit. Auditors pay the same tuition as students carrying courses for credit.

Tuition for Nonresident students may be paid using any of the methods outlined under Payment Options. To avoid additional service charges for nonresident tuition, payment for nonresident tuition must be paid in full prior to the first day of classes. If you are subject to nonresident tuition and do not pay in full prior to the first day of classes, or submit an installment contract, service charges will be assessed, and late charges may apply. If nonresident tuition is not paid **prior** to the 20th class day (census), your registration may be cancelled.

Health Insurance (mandatory for foreign students) is approximately **\$1,282.00** per year.

Minimum Payment Requirements for Foreign Students:

- Undergraduate foreign students must pay for, or sign a tuition fee installment payment agreement for, a minimum of 12 units.
- Graduate foreign students must pay for, or sign a tuition fee installment payment agreement for, a minimum of 9 units.

- Foreign students wishing to pay for fewer than 12 units (9 units, if graduate) must submit to Student Account Services an approved reduced course load request form from the International Student Center.

Fee Waivers

In some instances, student's tuition and fees may be partially or fully paid by outside agencies or waivers

CSU - Over 60 Fee Waiver Program

San Diego State University offers a fee waiver program for California residents 60 years of age or

older. Both undergraduate and post-baccalaureate students may participate in the program. The program waives the \$55.00 admission application fee and most of the basic tuition and fees. There is however a substantially reduced fee required to be paid each semester in order to attend. Please contact [Student Account Services](#) for the current fee amount. Participants must apply for admission during the regular application filing period and be admitted under regular SDSU admission requirements.

Participants register for classes on a space-available basis after regularly matriculated students have completed registration. For additional information, contact the [Prospective Student Center](#) at (619) 594-6336.

CSU - Alan Pattee Scholarships

Children of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of law enforcement or fire suppression duties are not charged the system-wide mandatory fees or tuition at any California State University campus, according to the Alan Pattee Scholarship Act, California Education Code, Section 68121. Please be aware however campus fees are not waived and payment of these fees are the responsibility of the student.

Students qualifying for these benefits need to contact the [Prospective Student Center](#) at (619) 594-6336 if you are a new student or the [Office of the Registrar](#) at 619-594-6871 if you are a current student, which determines eligibility.

Third Party Billing/Approved Fee Waivers

If an outside agency (agency, government program, Employee Fee Waiver, etc.) is paying all or part of your Tuition and Fees, you will need to print your fee payment coupon from "[My Registration](#)" and return it and a copy of your authorization letter to Student Account Services. Failure to do so will result in your fees being deducted from your financial aid award or the inability to register for classes. Students submitting authorization to bill a third party for their fees will be held responsible for the payment if the third party agency fails to pay the fees within the semester of attendance.

VA Vocational Rehabilitation (Chapter 31)

Veterans receiving Vocational Rehabilitation benefits (Chapter 31) must contact the Campus Veterans Affairs Office (Student Services West 1661) to obtain a payment authorization form to submit to the Student Account Services office by their fee payment deadline.

VA Post 911 GI Bill Benefits

Veterans receiving Post 911 GI Bill benefits must contact the campus Veterans Affairs Office (Student Services West 1661) and turn in an approved VA Certificate of Eligibility (COE) by their fee payment deadline. Once submitted the VA Office will notify Student Accounts of your eligibility to register for classes.

Cal Vet Fee Waiver-Eligible Dependents of Deceased or Disabled Veterans

Eligible dependents receiving the Cal Vet fee waiver must submit an approved letter of eligibility issued by the County VA for the current Academic Year to the campus Veterans Affairs office

(Student Services West 1661). This must be submitted by your fee payment deadline. Once submitted the VA Office will notify Student Accounts of your eligibility to register for classes. Please note that the Cal Vet Fee waiver will only waive the CSU system wide basic tuition fee, all other campus fees are required to be paid by the student each semester.

Financial Aid Tuition and Fee Payment Postponement

The "[My Registration](#)" online service will tell you if you are eligible to postpone the payment of your Tuition and Fees. If eligible, postponing the payment of your registration fee will be automatic. Your Tuition and Fees will be deducted from the first disbursement of your financial aid at the beginning of the semester.

You can also check your eligibility to postpone the payment of your fee by going to the [Office of Financial Aid and Scholarships Web site](#) and selecting AidLink. All required financial aid documents must be submitted to be able to determine your eligibility. If your financial aid award is reduced or becomes unavailable FOR ANY REASON, you must pay your fees IN FULL by the census date.

If you are NOT eligible to postpone the payment of your fees, DO NOT WAIT until your registration access date to find out you cannot register.

Disbursement of Financial Aid and Scholarship Funds

All financial aid and scholarship payments are processed and disbursed by **Student Account Services**:

Notification and Schedule

Disbursement begins typically during the week before the first day of classes of each semester and continues throughout the semester as new awards are processed or changes to awards occur.

University Charges: San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's tuition and fees, residence hall charges, and other institutional expenses (including financial aid overpayments) before releasing funds to you. Past due bills and other student account charges may delay the disbursement of funds until they are paid. Student Account Services will send you an e-mail notice when your financial aid or scholarship funds are deposited to your bank account.

Direct Deposit is normally run on the following schedule:

- Mondays – For disbursement to bank account, by Thursday
- Wednesdays – For disbursement to bank account, by the following Monday
- Friday - For disbursement to bank account, by the following Wednesday

Sign up to get a text message when we have sent your disbursement to the bank at the [Student Account Services website](#) (select online services).

Receiving Your Funds

Direct Deposit is the only way to receive your financial aid or scholarship refund (the amount after institutional charges are deducted). Your refund may be deposited directly into your personal checking or savings account at your bank.

Sign up online at the [Student Account Services Web site](#).

{Please note that the bank does not disburse money into bank accounts on holidays.}

Parent Loans

Parents can authorize the university to disburse excess funds from their Parent Loan directly to the student. Please see the Parent Loan request form for more detail.

When Parent PLUS Loan funds are available, any outstanding university charges are deducted and the remaining funds mailed to the parent borrower or if the parent borrower has authorized, the remaining funds will be deposited to the student's designated bank account. If mailed, Parent Loan checks are normally printed on the following schedule:

- ☐ Mondays - Checks are mailed either Monday or Tuesday
- Wednesdays – Checks are mailed either Wednesday or Thursday
- Fridays – Checks are mailed either Friday or Monday

View Disbursement Information

Student Account Services Online: For online payment, billing and account services, log on to Student Account Services on the [Student Account Services Web site](#). View your "transaction history" to see how your funds were disbursed and applied toward your university charges.

Before funds can be disbursed, you must be enrolled at least half time and you must resolve any financial aid and student account holds affecting your aid. For some types of aid, you may need to complete additional information before disbursement of funds.

- ☐ **Cal Grant B Access Grant** - A student may request that their Cal Grant B Access Grant be disbursed directly to them. This request can be made at any time; however, if the grant has already been disbursed, the request would affect only future payments. The request may be made, in person, to Student Account Services.

Refunds of Non – Financial Aid Funds

Tuition and Fees paid using **Checks, Money Orders, Certified Funds, Cash or Debit Cards**, will receive the refund in the form of a SDSU check. All refund checks are mailed to the address on file with the [Office of the Registrar](#). Make sure that your address is updated on your [SDSU Webportal](#) to ensure timely delivery of your refund.

Tuition and Fees paid online using our **electronic Check /Savings accounts (ACH) process**, will receive an electronic refund to the account used to make the payment.

Tuition and Fees paid online using **Credit Cards** ([CashNet™ SmartPay](#)), will receive an electronic refund back to the credit card used to make the payment.

Information concerning any aspect of the refund of fees may be obtained from [Student Account Services](#).

Refunds may be applied against other amounts due to the university.

Refund Policy

Regulations governing the refund of mandatory fees, including nonresident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

Return to Title IV

When a student who has received Title IV financial aid withdraws, or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by law and determined by the university. If funds have been disbursed directly to the student, he or she may be re-

quired to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement, the university will notify you of the process required to receive the funds.

Title IV Financial Aid consists of the following programs:

- ❖ Unsubsidized William D. Ford Federal Direct Loan
- ❖ Subsidized William D. Ford Federal Direct Loan
- ❖ William D. Ford Federal Direct PLUS Loan
- ❖ Federal Pell Grant
- ❖ Federal Supplemental Educational Opportunity Grant (FSEOG)
- ❖ Federal Teach Grant

Full refund

To receive a full refund of basic Tuition and Fees, Nonresident Tuition and Professional Program fee, you must officially withdraw, or otherwise cancel your registration, prior to the first day of instruction for the term. A refund administrative fee of \$21.00 will be withheld. Students are not required to file a refund application.

Please note: if you do not complete the official withdrawal process, and only drop your classes online, your refund will not be processed until after the census date.

Students will also receive a full refund of mandatory fees, under the following circumstances:

- The tuition and fees were assessed or collected in error.
- The course for which the tuition and fees were assessed or collected was cancelled by the university.
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student.
- The student was activated for compulsory military service.

Tuition and Fees Prorated Refund Schedule (see schedules below)

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of registration will be prorated, based on the date of withdrawal and the percentage of the period of enrollment completed. Prorated refunds will be processed for a student's complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university after the 60 percent point in the academic period, or fails to officially withdraw from the campus shall not be entitled to any refund of Tui-

tion and Fees. After the drop/add deadline of the semester, schedule adjustments are only permitted for extremely serious, documented cases involving health or accident.

Appeal Process

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a “Petition for Special Consideration” obtainable at Student Account Services. Petitions must be filed with Student Account Services prior to the end of the twelfth week of classes.

Petitions for refunds outside the scope of published policy are approved only when applicants can demonstrate exceptional circumstances, and the chief financial officer or designee determines that the university did not earn Tuition and Fees.
