SDSU SUMMER 2015 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees.

You must pay Tuition and Fees before you can access the Web registration system. "My Registration," available at the [SDSU WebPortal](#), contains registration and payment information. **The registration process is not complete until you are officially enrolled in classes. Payment of fees alone does not constitute registration.**

All Cashier Holds must be cleared prior to paying for registration. Payments to clear financial holds must be made by cash, debit cards, money order, or certified check. Inquire at Student Account Services for more information. Personal checks or charge cards will NOT be accepted.

Liability for Payment

It is the student's responsibility to be aware of total fees due whether or not an invoice is received.

Students with an approved Petition for Late Schedule Adjustment must pay any fees that may be due as a result of the added units in addition to the **\$20.00** late add fee. For example, a student who is enrolled in 6 units and has an approved Petition to add 3 additional units would need to pay the tuition difference between part-time and full-time fees in addition to the \$20.00 late add fee. The [Office of the Registrar](#) will NOT process the add request until these fees are paid.

Please note: Dropping a class after the schedule adjustment deadline (based on approved petition only) does not reduce your fee liability. If you are enrolled in 6 units and add 3 units and drop 3 units, you will still be liable for full-time Tuition and Fees.

Students submitting authorization to bill a third party for their Tuition and Fees will be held responsible for payment if the third party agency fails to pay.

According to Title 5, of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to

[Top](#)

receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid.

Prospective students who register for courses offered by the university are obligated for the payment of Tuition and Fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay Tuition and Fees including any amounts due for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing Tuition and Fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Account Services. Student Account Services, or another office on campus to which Student Account Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

Payment Options

Tuition and Fees for Summer 2015 are due **April 20 – May 1, 2014**. Check "[My Registration](#)" in the [SDSU WebPortal](#) for your specific due date.

- It's recommended that your payment be made by your due date to avoid any delay in registration. You may make your payment beginning **April 13, 2015**.
- Do NOT wait until your registration access date to pay your tuition and fees

Online - ACH (Electronic Check):

You may pay your Tuition and Fees, and other charges using the [ACH payment option](#). This is just like writing a check, but you will make the payment online. There is **no additional charge** for this option. You will need your bank routing and checking account number, which is not the same as your debit card number.

If your electronic check for Tuition and Fees, is returned by the bank to the Student Account Services Office **for any reason**, your registration may be cancelled and you will be billed a \$35.00 dishonored payment charge and a \$20 late fee when applicable. Non-payment of Tuition and Fees may result in cancellation of your registration and withholding of further services until all financial liabilities have been resolved.

The university reserves the right to refuse payments by electronic check from those individuals who have previously had items returned unpaid by their bank. **Please Note: If your electronic check writing privileges are revoked, you will have to wait one (1) year to be reinstated.**

Online - Credit Card:

Students are able to use MasterCard, Visa, American Express, and Discover Card to pay Tuition and Fees using CashNet™ SmartPay, our secure third party vendor. Student Account Services/Cashiers does not accept credit cards for payment of Tuition and Fees, except as applicable under the terms of the Installment Plan. Payments made using CashNet™ SmartPay are normally posted to the students account in real time so, the registration process should not be delayed. CashNet™ SmartPay assesses each customer a service charge based on the transaction amount. See. [CashNet™ web site](#) For more details

Use [CashNet™ SmartPay](#) via the Web from your student account. You will be asked to select what you would like to pay for first, and then select how you would like to pay. At this point, you would select payment by credit card.

MasterCard, Visa, American Express and Discover Card charge cards are accepted for other payments, such as Housing, Parking, Health Services, Continuing Education, and miscellaneous over-the-counter payments. Students are reminded that banks will provide cash advances against

credit cards if needed to cover registration payments. Most ATM cards are also accepted for payment of miscellaneous charges.

Mail – Checks or Certified Funds:

Tuition and Fees may be paid in full by personal check, money order, or certified funds. Checks should be made payable to SDSU. In order to have your payment processed on time, print the fee payment coupon found in the [SDSU WebPortal](#) and submit it (via mail or Student Account Services drop box) with your payment prior to your payment deadline. Your payment deadline is located in your "[My Registration](#)" in your [WebPortal account](#).

Participants must apply for admission during the regular application filing period and be admitted under regular [SDSU admission requirements](#). Participants register for classes on a space-available basis after regularly matriculated students have completed registration. For additional information, contact the Prospective Student Center at (619) 594-6336.

Students qualifying for these benefits need to contact the [Office of the Registrar](#), which determines eligibility.

Third Party Billing/Approved Fee Waivers

If an outside agency (agency, government program, Employee Fee Waiver, etc.) is paying all or part of your Tuition and Fees, you will need to print your fee payment coupon from "[My Registration](#)" and return it and a copy of your authorization letter to Student Account Services. Failure to do so will result in your fees being deducted from your financial aid award. Students submitting authorization to bill a third party for their fees will be held responsible for the payment if the third party agency fails to pay the fees within the semester of attendance.

Financial Aid Tuition and Fee Payment Postponement

The "[My Registration Info](#)" online service will tell you if you are eligible to postpone payment of your Tuition and fees. Log in to AidLink from the [Office of Financial Aid and Scholarships Web site](#) to review your options and the action you need to take to become eligible for a summer tuition and fees payment postponement. Once in AidLink, select the summer tab and follow the instructions. DO NOT WAIT until your registration access date - log in to [AidLink](#) now to review your options and the action you need to take to become eligible for a financial aid Tuition and fees payment postponement. If eligible, the [Office of Financial Aid and Scholarships](#) will electronically notify SDSU's [Office of the Registrar](#) and [Student Account Services](#) that you are eligible to postpone the payment of your Tuition and fees until your financial aid is disbursed mid-July.

Beginning in late May, and after you have enrolled in summer session, the [Office of Financial Aid and Scholarships](#) will review your eligibility and notify you of your summer session financial aid eligibility. Your Tuition and fees will be deducted from your financial aid available for the summer session.

If you do not qualify for enough financial aid, or if your financial aid award is reduced or becomes unavailable for any reason, YOU must pay your summer Tuition and Fees IN FULL using your own funds by **July 05, 2015**.

Disbursement of Financial Aid and Scholarship Funds

All financial aid and scholarship payments are processed and disbursed by **Student Account Services**:

Notification and Schedule

Disbursement for the summer term typically begins in July and continues throughout the summer as new awards are processed or changes to awards occur.

University Charges: San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's Tuition and Fees, residence hall charges, and other institutional expenses (including financial aid overpayments) before releasing funds to a student. Past due bills and other student account charges may delay the disbursement of funds until they are paid.

Student Account Services will send you an e-mail notice when your financial aid or scholarship funds are deposited to your bank account.

Direct Deposit is normally run on the following schedule:

- Mondays – For disbursement to bank account, by Thursday
- Wednesdays – For disbursement to bank account, by the following Monday
- Friday - For disbursement to bank account, by the following Wednesday

Sign up to get a text message when we have sent your disbursement to the bank at the [Student Account Services website](#) (select online services)

If mailed, Parent Loan checks are normally printed on the following schedule:

- Mondays - Checks are mailed either Monday or Tuesday
- Wednesdays – Checks are mailed either Wednesday or Thursday

Summer Financial Aid Programs

Financial aid funds for attending summer session depend on your eligibility and available funding. Summer aid is either prior year eligibility you may not have used or is an advance from your upcoming academic year award. The [Office of Financial Aid and Scholarships](#) will help you to maximize your aid eligibility for attending summer session.

If eligible, summer aid may include Pell Grant, State University Grant, Federal Direct Loan and/or Federal Work Study.

Refunds of Non-Financial Aid Funds

We encourage you to sign up to receive eRefunds (Direct Deposit) in order to receive your funds more efficiently. Your refund may be deposited directly into your personal checking or savings account at your bank. Sign up online at the [Student Account Services Web site](#).

{Please note that the bank does not disburse money into bank accounts on holidays.}

If you do not sign up to receive an eRefund, your refund check may be delayed and will be mailed to the address on file with the [Office of the Registrar](#). Make sure that your address is updated at the [SDSU WebPortal](#) to ensure timely delivery of your refund.

If you paid your Tuition and Fees online using our electronic check (ACH) process, please be aware that if you are due a refund for either withdrawing from the university or dropping units by the [schedule adjustment deadline](#) that you may receive your refund in the form of an SDSU refund check.

Please Note: If you used [CashNet™ SmartPay](#) to pay your summer fees, a credit will be processed to your credit card.

Information concerning any aspect of the refund of fees may be obtained from [Student Account Services](#).

Refunds may be applied against other amounts due to the university.

Refund Policy

Regulations governing the refund of mandatory fees, including nonresident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

Return to Title IV

When a student who has received Title IV financial aid withdraws, or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by law and determined by the university. If funds have been disbursed directly to the student, he or she may be required to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement, the university will notify you of the process required to receive the funds.

Title IV Financial Aid consists of the following programs:

- Unsubsidized William D. Ford Federal Direct Loan
- Subsidized William D. Ford Federal Direct Loan
- William D. Ford Federal Direct PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Teach Grant

Full refund

To receive a full refund of basic Tuition and Fees, Nonresident Tuition and Professional Program fee, you must officially withdraw, or otherwise cancel your registration, prior to the first day of instruction for the term. A refund administrative fee of \$21.00 will be withheld. Students are not required to file a refund application. **Please note: if you do not complete the official withdrawal process, and only drop your classes online, your refund will not be processed until after the census date.**

Students will also receive a full refund of mandatory fees, under the following circumstances:

- The tuition and fees were assessed or collected in error
- The course for which the tuition and fees were assessed or collected was cancelled by the university
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student
- The student was activated for compulsory military service

Tuition and Fees Prorated Refund (see schedules below)

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of registration will be prorated, based on the date of withdrawal and the percentage of the period of enrollment completed. A refund administrative fee of \$21.00 will be withheld. **It is not necessary to file an application for refund.**

Prorated refunds will be processed for a student’s complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university after the 60 percent point in the academic period, or fails to officially withdraw from the campus shall not be entitled to any refund of Tuition and Fees. After the drop/add deadline of the semester, schedule adjustments are only permitted for extremely serious, documented cases involving health or accident.

Appeal Process

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a “Petition for Special Consideration” obtainable at Student Account Services. Petitions must be filed with Student Account Services prior to the end of the twelfth week of classes.

Petitions for refunds outside the scope of published policy are approved only when applicants can demonstrate exceptional circumstances, and the chief financial officer or designee determines that the university did not earn Tuition and Fees.
