

SDSU Fall 2011 Fee Payment - (as of 7/14/2011)

The following fees are applicable for the Fall 2011 semester only. The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as **estimates** that are subject to change upon approval by the The Board of Trustees. For the most current fee amounts check online at www.sdsu.edu/sas.

Following Governor Brown's signing of a final budget that cuts state funding for the California State University by \$650 million for the 2011-12, the CSU Board of Trustees took action on July 12, 2011 **to increase tuition by an additional 12 percent - or \$294 per semester for full-time undergraduates** - effective in the fall. We recognize the strain this puts on students and the families but this enormous cut in state funding has left no other choice in order to maintain quality and access to the CSU.
