Subject: CSU Employee Fee Waiver and Reduction Program

This Technical Letter updates and summarizes current information regarding the employee California State University (CSU) Fee Waiver and Reduction Program. It contains updated information in regards to fees waived for employees in Unit 4 (Academic Professionals) and their dependents. It includes information on benefits available to CSU employees and their dependents, tax issues, and a list of fee waiver contacts on the campuses. Please note that due to a recent change in Family Code Section 297.5 requiring that registered domestic partners be granted the same rights and privileges as spouses, domestic partner has been added to the list of eligible dependents for fee waiver transfer for Unit 8 (Public Safety) employees. Table 3 has been updated to reflect this change.

Executive Order No. 712 - Fee Waiver for Employees

Procedures for administering the Employee Fee Waiver and Reduction Program are outlined in Executive Order No. 712 (Delegation of Authority and Procedures for the Administration of Fee Waivers and Reductions for Employee Training and Career Development) dated October 7, 1999 (Attachment A). These administrative procedures, for the most part, cover eligible non-represented and represented employees. However, some collective bargaining agreements (CBAs) have different eligibility criteria and that information is summarized in this Technical Letter. It is important for campus staff to review appropriate collective bargaining agreements to ensure terms of any negotiated fee waiver benefit are followed. **In cases where provisions of Executive Order No. 712 are in conflict with the CBA, the CBA shall govern with regard to those conflicting provisions for individuals in that CBA unit, except for the fee schedule. This technical letter sets the correct fee structure for all employee groups and their eligible dependents, where applicable.** Fee waiver provisions may be found in the collective bargaining agreements as follows.

Fee waiver applies to CSU general fund courses only. Courses in self-support programs may not be taken through fee waiver. Campuses should have an application form for employee fee waiver. A sample form is included in Attachment B.

Eligibility

CSU Fee Waiver eligibility criteria for represented and non-represented employee categories is summarized in Table 1 below:

Table 1 – Fee Waiver Eligibility

Employee Category	Eligibility Criteria
Unit 1 (Physicians)	All unit members
Units 2, 5, 7, 9 (CSUEU) Unit 4 (Academic Professionals) Unit 6 (Skilled Trades) Unit 10 (IUOE)	Full-time employees (i.e., permanent, temporary, & probationary) and part-time permanent employees

M80 (MPP)	Full-time employees (includes temporary)

*FERP employees are considered tenured faculty and are eligible for fee waiver only during the semesters/quarters when they are actively employed.

**C99 and E99 employees only attain permanent status in part-time positions as a result of completing a probationary period in a full-time position and, subsequently, reducing their time-base.

Note: Please check CBAs for provisions concerning the appointment of part-time, permanent employees.

Career Development Plan

The course of study for a Career Development Plan will be established by the employee and an appropriate advisor of choice and shall be subject to approval by the appropriate administrator. The Career Development Plan shall be updated periodically, including whenever there is a change in degree program or objective.

Unit Limitation

All eligible non-represented and represented employees may enroll in a maximum of two (2) courses or six (6) units, whichever is greater, per term.

Fees Waived

Employees are eligible for the fee waivers shown in Table 2 below, based on Executive Order No. 712 and applicable CBAs.

*May be fully waived for a maximum of two (2) courses or six (6) units, whichever is greater, per term.

Employees taking courses in addition to the fee waiver courses shall pay any difference in fees, per applicable collective bargaining agreement and campus practice. All other fees shall be at the regular rates.

Fee Waiver for Spouse, Domestic Partner or Dependent Child

Eligible employees may transfer their fee waiver benefit to a spouse, dependent child or domestic partner, as noted in Table 3 below. Please note that the following criteria are to be followed:

1. A dependent child is defined in the same manner as the term is used for other CSU benefit programs, namely: (a) your child or stepchild under age 23 who has never been married; (b) a child living with you in a parent-child relationship who is economically dependent upon you, under age 23 and has never been married; or (c) your child or stepchild age 23 or above who is incapable of self-support due to a disability which existed prior to age 23.
2. The spouse, domestic partner or dependent child must be matriculated toward a degree or the attainment of a teaching credential in the CSU and the course(s) enrolled in on a fee waiver basis must be for credit toward completion of that degree or teaching credential.
3. Campus administration must determine that space is available in the particular course offering before accommodating a spouse, domestic partner or dependent child who wishes to enroll in the course on a fee waiver basis.
4. The dependent fee waiver applies only to certain *fees* incurred by California residents. Thus, spouses, domestic partners and dependent children who do not meet established in-state residency requirements (and who do not qualify for classification as residents in accord with the provisions of Title 5, Section 41910, California Code of Regulations) will be responsible for paying non-resident *tuition* charges based upon the total number of units in which they are enrolled.
5. In accord with the Education Code, the Student Body Association Fee cannot be waived or reduced for a spouse/domestic partner/dependent child, even if a CBA infers otherwise. (As a result of an arbitration award, the fee for CSUEU is reduced to \$1.00) A spouse/domestic partner/dependent child taking courses in addition to the fee waiver courses shall pay any difference in fees, per applicable collective bargaining agreement and campus practice. All other fees shall be at the regular rates.

Table 3 – Dependent Fee Waiver

Employee Category	Eligible Dependents for Fee Waiver Transfer	Fees Fully Waived for Eligible Dependents	Fees Reduced to \$1.00 for Eligible Dependents

Units 2, 5, 7, 9 (CSUEU)	Spouse Dependent Child Domestic Partner	Application Fee Identification Card Fee Instructionally Related Activity Fee Health Services Fee State University Fee*	Student Body Association Fee** Student Body Center Fee/ Student Union Fee Health Facilities Fee
Unit 4 (Academic Professionals)	Spouse Dependent Child Domestic Partner	Application Fee Identification Card Fee State University Fee*	None – All other fees paid at regular rates.
Unit 10 (IUOE)	Spouse Dependent Child Domestic Partner	Application Fee Identification Card Fee Instructionally Related Activity Fee State University Fee*	Student Body Center Fee/ Student Union Fee Health Facilities Fee
E99 (Excluded)	N/A	N/A	N/A

*May be fully waived for a maximum of two (2) courses or six (6) units, whichever is greater, per term.

**As the result of an arbitration award.

6. Fee waiver eligibility may be transferred to only one person at a time, regardless of whether that individual uses the full entitlement of 2 courses or 6 units. Dependents taking courses in addition to the fee waiver courses shall pay any difference in fees, per applicable collective bargaining agreement and campus practice.

7. If both parents are employees eligible to transfer their fee waiver benefit to a dependent child, each employee may transfer the benefit. Therefore, it is possible for one child to receive both benefits and be eligible to enroll in up to 4 courses or 12 units, whichever is greater, on a fee waiver basis. Alternatively, each employee could transfer his or her benefit to a different child, and each child would be entitled to up to 2 courses or 6 units of fee waiver eligibility. Dependents taking courses in addition to the fee waiver courses shall pay any difference in fees, per applicable collective bargaining agreement and campus practice.

8. Normal academic standards must be maintained by the spouse/domestic partner/dependent child in order to continue participating in the fee waiver program.
9. An employee who wishes to transfer his or her fee waiver benefit to a spouse, domestic partner or dependent child should be asked to formally transfer the benefit and certify that the individual using the benefit is in fact a spouse, domestic partner or dependent child. See Attachment C for a sample form that may be used for this purpose.
10. Eligible spouses, domestic partners and dependent children may enroll using fee waiver at any CSU campus. This aspect of the program may require coordination between campuses. To provide adequate controls on the spouse/domestic partner/dependent child fee waiver process, the campus of employment must provide the campus where the spouse/domestic partner/dependent child will enroll with the following information: verification of the eligible employee's qualifying employment, verification that the employee will not be using the fee waiver benefit during the semester/quarter at issue, and verification that no other family member has been previously certified as eligible to use the employee's fee waiver benefit during the semester/quarter at issue. The sample form in Attachment C may be used for this purpose as well.

Tax Issues

The Internal Revenue Code (IRC) provides three ways to make employer-provided training and educational assistance, including fee waivers and reductions, excludable from taxable income:

- Qualified Tuition Reduction under Internal Revenue Code Section 117(d);
- Educational Assistance Programs under Internal Revenue Code Section 127; and
- Working Condition Fringe Benefits under Internal Revenue Code Section 132(d).

By coordinating the three Internal Revenue Code Sections under the CSU Fee Waiver and Reduction Program, the following tax-free or taxable benefits are available to CSU employees and their eligible spouses, domestic partners, and/or dependent children:

<u>Eligible Participant</u>	<u>Course level(s)</u>	<u>Tax Status</u>
CSU Employee	Undergraduate Graduate	Nontaxable Nontaxable
Employee's Spouse/ Dependent Child	Undergraduate Graduate	Nontaxable Taxable
Employee's Domestic Partner	Undergraduate Graduate	Taxable Taxable

Attachment D provides a tax summary of IRC sections applicable to the CSU Fee Waiver and Reduction Program. Imputed taxable income is reported to the employee's campus and is reported taxable for the employee.

Please note that it is the level of the course that determines taxability, not the education level of the employee. Also, there is no requirement that an employee be working toward a degree to obtain the benefits tax-free.

Tax Changes Effective January 1, 2002

Enactment of the Economic Growth and Tax Relief Reconciliation Act of 2001 (HR 1836) impacts Section 127 Educational Assistance provisions. Effective January 1, 2002, the annual \$5,250 exclusion for employer provided Educational Assistance for undergraduate, career related and upward mobility training was permanently extended. Graduate level courses are now covered under the annual \$5,250 exclusion effective January 1, 2002. Therefore, based on these changes in 127 and other tax thresholds, as of January 1, 2002, all undergraduate and graduate level coursework taken by an employee through the CSU Fee Waiver and Reduction Program is excluded from taxation.

Due to the coordination of all three IRC Sections under the CSU Fee Waiver and Reduction Program, the Section 127 limit of \$5,250 will directly impact graduate level coursework. At this time, this limit will not affect employees enrolling in CSU graduate level courses, since the cost of student fees is less than \$5,250. All graduate level coursework taken by an employee's spouse, domestic partner or dependent child through this program continues to be reported as taxable income. All undergraduate level coursework taken by an employee's domestic partner through this program is taxable as well.

**PROCEDURES FOR THE ADMINISTRATION OF FEE WAIVERS
AND REDUCTIONS FOR EMPLOYEE TRAINING
AND CAREER DEVELOPMENT**

1. **Purpose:** These procedures are for the purpose of implementing an employee fee waiver and reduction program in accordance with the authority granted the Trustees by Education Code, Section 89710 and to establish procedures for administration of the program pursuant to the delegation of authority to the Chancellor provided in Section 41804 of Title 5, California Code of Regulations.
2. **Eligibility:** All full-time or part-time permanent, full-time probationary employees, and full-time Management Personnel Plan employees, regardless of HEERA designation, may participate in the fee waiver and reduction program subject to authorization by the campus President or designee pursuant to these procedures. Full-time or part-time permanent, full-time probationary employees, and full-time Management Personnel Plan employees who are on an approved full or partial leave of absence with or without pay are also eligible. Employees covered by Section 42703(g) of Title 5, California Code of Regulations, graduate assistants, student assistants, part-time and temporary full-time employees are not eligible. In cases where provisions of this Executive Order are in conflict with a Memorandum of Understanding entered into pursuant to the Higher Education Employer-Employee Relations Act, the Memorandum of Understanding shall govern with regard to those conflicting provisions for the individuals in the unit covered by the Memorandum of Understanding.
3. **Unit Limitation:** In order to achieve a reasonable balance between an employee's regular work assignment and the course load taken under this program, approval for a waiver and reduction of fees shall be in accordance with the following unit limitations.

An eligible employee working full-time may be granted approval to enroll under this program for two (2) courses or six (6) units, whichever is greater, per semester or quarter.

An employee who is on an approved leave of absence may enroll for units in excess of these amounts in accordance with the following schedule:

<u>Percentage of Leave</u>	<u>Maximum Semester or Quarter Units</u>
One-fourth but less than one-half	9
One-half but less than three-fourths	12
Three-fourths but less than full	15
Full	Not limited

4. **Admissions:** Employees who qualify for admission to a campus in accordance with established standards and criteria shall be processed by the Office of Admissions and Records as regular admissions except that the application fee will be waived. Employees

who do not qualify for regular admission to a campus may be admitted under the authority of Subdivision (e) of Section 41804 of Title 5, California Code of Regulations as implemented in these procedures.

- a. **Work-Related Courses:** Admission for the purpose of enrolling in courses deemed work-related shall be with the approval of the President or designee. An employee enrolling in an approved work-related course shall be required to fill out only the front part of "A" of the admissions application. The Office of Admissions and Records shall establish a file and Permanent Record Card for each employee admitted for this purpose, but the process associated with matriculation (i.e., provision of transcripts of previous college level work, test scores, the evaluation of transfer credit, etc.) need not be carried out unless the employee subsequently declares a career objective which requires completion of a university degree as part of an approved individual career development plan.
- b. **Career Development Courses:** Admission for the purpose of enrolling in courses, as part of an approved individual career development plan, shall be with the approval of the President or designee. These employees shall be required to complete all the forms necessary for regular admission and matriculation at a campus of the California State University if their career development objective requires a degree. The Office of Admissions and Records shall maintain the usual student records for employees admitted pursuant to this provision. If their career development plan does not require a degree, the same admissions regulations and procedures required for work-related courses shall apply. Admission shall be continuous as long as the employee remains in good academic standing pursuant to normal campus criteria applicable to this determination.
- c. **Intercampus Enrollments:** In some instances employees may need to enroll on their own time at a campus other than the campus of employment. In such cases the campus of employment shall provide an employee with written certification that enrollment is authorized in accordance with this Executive Order, and that the employee is enrolling for an approved work-related course or as part of an approved individual career development plan. The campus of enrollment shall then follow the admissions procedure outlined in (a) or (b) of this section, as appropriate.
- d. **Employees of the Office of the Chancellor:** The Chancellor or designee shall provide employees of the Office of the Chancellor with written certification that enrollment is in accordance with the requirements of this Executive Order and that the employee is enrolling for an approved work-related course or as part of an approved individual career development plan. The campus of enrollment shall then follow the admissions procedure outlined in (a) or (b) of this section, as appropriate.
- e. **Enrollment in Graduate Courses:** Employees may enroll in graduate level courses subject to the same requirements as provided in this Executive Order.

- Application Fee
- Identification Card Fee
- Instructionally Related Activities Fee
- Health Services Fee

The following fee may be fully waived up to the unit limitation indicated:

- The State University Fee may be waived for any number of units up to 5.9 units per term.

The following fees may be reduced to \$1.00:

- Student Body Association Fee
- Student Body Center Fee
- Health Facilities Fee

All other fees shall be at the regular rates.

The fees for any units taken other than or in addition to units for which a fee waiver or reduction has been approved, including any work-related or career development units in excess of the limits indicated in Section 3, shall be the difference between (1) the fees normally required for the total number of units for which the employee is enrolled, and (2) the fees which have been waived or reduced; provided that in no case shall the aggregate amount paid for a particular fee be greater than the amount which would have been charged if none of the units taken by the employee were under this program.

Example 1: This example applies to all campuses and all employees under the fee waiver program governed by this Executive Order.

The employee enrolls for two courses or six units.

The State University Fee is fully waived.

The following fees may be reduced to \$1.00 each:

- Student Body Association Fee
- Student Body Center Fee
- Health Facilities Fee

Example 2: This example applies to all campuses and all employees under the fee waiver program governed by this Executive Order.

The employee enrolls for three courses, or more than six units. Fees are waived for two of the courses that are justified as job-related or career development.

Employee takes three courses, University waives fee for two courses, employee pays ordinary tuition fee in effect at that time, either per semester or per quarter, for one course.

Other fees as listed above in Example 1 are reduced to \$1.00 each.

6. **Services:** The appropriate campus authority may reduce the level of services except instructional services, which may be provided to employees who enroll under this program where the fees actually paid are below the fee levels normally charged.
7. **Course Approvals:** The President or designee may approve the waiver and reduction of fees authorized by this Executive Order following determination by the President or designee that the course(s) for which the employee will enroll is (are) either directly related to the requirements of the employee's present position (job-related) or is (are) part of an approved individual career development plan. Courses taken on the fee waiver program shall be taken for credit and not audited.
8. **Records Requirement:** The President or designee shall maintain records concerning the utilization of the fee waiver program. These records shall include the ethnicity and sex of participants, their occupational group, their salary level and other pertinent information necessary for a cost analysis of the program or for other reporting requirements. Such records shall be maintained separately from the employee's official personnel records. Records of completed training activities should be retained in the employee's official personnel file.
9. **Funding:** The establishment of this program carries no budgetary authorization for a campus to apply for or to receive additional funding. It is the responsibility of the campus to limit enrollment under the fee waiver program at a level, which can be accommodated within existing campus resources.
10. **Supplemental Instructions:** The Vice Chancellor, Human Resources, shall be responsible for review and evaluation of this program and for issuing directives to amplify and interpret these procedures.
11. **Continued Program Participation:** In order for employees to continue to participate in this program, they must remain in good academic standing. This same criterion for program participation is applicable to both matriculated and non-matriculated participants.
