| Establish a New Student Fee  | Р                       | roposed New Fee Amount:   |                            |   |               |  |  |  |
|  |                         | Effective Date:   | AY 2025-2026               |   |               |  |  |  |
| Due to an escalation of costs year over year from all vendors (on and off campus), the HEPI increases are not enough to cover the commencement ceremonies, even with significant cuts and cost saving efforts the last three years, including eliminating the physical programs, reducing elements of the event program, reducing catering and other event supports, and negotiated reductions in contracts by some of the external event vendors. The Commencement Committee and Enrollment Services are requesting to increase the graduation service fee to \$175. Of this amount, Commencement will receive \$100 and Enrollment Services will receive \$75. Additional information: As the number of graduates has increased, the Commencement Committee has had to add additional ceremonies, to help prioritize what graduates have expressed are the two most important priorities with the commencement experience: maintaining the number of tickets for family members and maintaining the name reading portion of the ceremony. Both would be in jeopardy if the number of commencement ceremonies were not increased. The Commencement Committee is planning to add a fourth day ceremony on May 2026 given the number of projected graduates, and Associated Students' approximate cost for a fourth day with two ceremonies at Viejas is an additional \$117K (which goes directly back to AS, to support student jobs and the AS priorities.) It is requested the fee would continue to be adjusted annually based on the Higher Education Price Index (HEPI). |                         |   |                            |   |               |  |  |  |
| Additional documentation is (attached additional documentation)  |                         | stify proposed fee)   |                            |   |               |  |  |  |
