University Budget

Overview

For Fiscal Year 2018/19, San Diego State University (SDSU) was allocated \$226.9 million in state General Fund appropriation and is budgeted to collect an additional \$180.7 million from tuition (net of tuition fee discounts) and fees and \$67.7 million from revenue-based fees (including the Student Success fee) and cost recovery revenues for a total University Operating Fund budget of \$475.3 million. Throughout the year, budget adjustments may occur due to changes in enrollment and the resulting changes in fee revenue, changes in revenue-based and cost recovery revenues, mid-year changes in appropriations, and supplemental allocations.

Other dedicated revenues include \$62.5 million from the Housing fund, \$16.6 million from the World Campus fund, \$2.5 million from the Lottery fund, \$7.9 million from Parking Fees, Fines & Forfeitures funds, \$38.1 million from Athletics Self-Support (IRA fees, ticket sales, corporate sponsorships and private donations), \$6.1 million from Special Projects (conference and project revenues), and \$1.4 million from Federal Work Study. Additional information about these revenues can be found in the “Other Funds” tab.

Additionally, SDSU has four non-profit auxiliary corporations with budgets as follows: Associated Students, \$28.3 million; Aztec Shops, \$73.9 million; The Campanile Foundation, \$42.2 million; and the SDSU Research Foundation, with an operating budget of \$32.2 million and restricted funds (including grants and contracts) of \$146.2 million. Additional budget information can be found in the “Auxiliary Organizations” tab.

SDSU administers Federal, State and University Financial Aid & Scholarship funds of approximately \$153.6 million in student awards. This includes amounts applied to tuition, fees, housing and \$53 million in direct disbursements to students.

Divisions:

The President is the University's Chief Executive Officer. The Office of the President is responsible for executive leadership and strategic planning and includes strategic communications and public affairs.

Diversity and Innovation is responsible for integrating matters of equity and inclusion into all aspects of university life including the center for inclusive excellence, faculty excellence, identify centers, interfaith affairs, regional affairs and structural engagement.

Academic Affairs is responsible for all instructional activity and academic support areas such as the library, enrollment services, graduate/research programs, and extended education programs for both the San Diego campus and the Imperial Valley campus.

Student Affairs is responsible for student support services including student life and leadership, financial aid and scholarships, career services, and residential education. Student health care is paid for by dedicated, mandatory health services and health facilities fees.

University Budget

Business & Financial Affairs is responsible for the financial, business and facility resources of the campus and provides support services including accounting and budgeting, procurement, human resources, public safety, parking services, environmental health, construction, facilities, and student housing.

Athletics is responsible for Division I-A athletic programs. A significant portion of the athletic budget comes from self-generated funds such as revenue from ticket sales, corporate sponsorships, and private donations.

KPBS operates KPBS TV and Radio, San Diego's public broadcasting stations, and reports to the President's Office. Although KPBS receives state funded support, the majority of its budget comes from self-generated sources administered by the SDSU Research Foundation, such as grants, membership fees and private donations.

Information Technology is responsible for the core information technology resources of the campus and provides support services including communications, computing, enterprise systems and information security.

University Relations and Development is responsible for the university's comprehensive campaign, fund raising, marketing and communications, alumni relations, annual giving, and governmental affairs.

Auxiliaries:

Associated Students manages programs and funds for the benefit of the university related to various student organizations, activities, and facilities including the Aztec Student Union, Aztec Recreation Center and Viejas Arena.

Aztec Shops manages commercial operations including food services, the campus bookstore, and some select housing properties for the benefit of the university.

SDSU Research Foundation manages funds related to the university's grants and contracts from federal and other sources. The SDSU Research Foundation also holds private contributions made to the public broadcasting stations, and provides financial support services to some university self-support entities.

The Campanile Foundation receives, acknowledges, and manages contributions made to the university. In addition, The Campanile Foundation is responsible for management of the university's endowment of approximately \$302 million.

San Diego State University is committed to providing the university community with accurate and useful information about our budget. Please address any questions regarding the Fiscal Year 2019/20 Budget, or suggestions for improving this document, Budget and Finance at 619-594-6602 or e-mail: budget@sdsu.edu.

University Operating Fund

The University Operating Fund Budget presents the 2019/2020 budget allocations and 2018/2019 and 2017/2018 actual expenditures summarized by college/division.

San Diego State University receives its University Operating Fund support appropriation from the State of California by allocation from the California State University (CSU) Chancellor's Office. The allocation process for the 23 individual universities and the system office begins with a request from the CSU Chancellor and Trustees to the Department of Finance prior to December of each year. The Governor then determines the CSU funding to include in the Governor's Budget Request which is released in mid-January. This request then goes to the state legislature. In mid-May the Governor typically issues the "May Revise" which is a revision of the original budget based on the most current state revenue/expense projections. The legislature is required to return its version of the budget to the Governor for approval in June. The Governor has considerable power to veto individual items in the Budget before signing it into law for the state's fiscal year beginning July 1.

In 2019/20, San Diego State University's Operating Fund Budget is based upon the following:

Full-Time Equivalent Student (FTES)	32,304*
Individual Enrollment (Headcount)	37,936**
Student/Faculty Ratio	21.9:1
Custodial Square Footage	3,336,060

Basic Tuition Fee per Academic Year	<u>Undergraduate</u>	<u>Teacher Credential</u>	<u>Graduate/Post Baccalaureate</u>
Part time (Up to 6 units)	\$3,330	\$3,864	\$4,164
Regular (6.1 or more units)	\$5,742	\$6,660	\$7,176

* Includes Summer and is based on CSU Budget Letter 19-002 FTES target

** Includes Summer and is based on campus budgeted Headcount

FTES and headcount includes all students - undergraduate, graduate, resident, non-resident

University Operating Fund

For purposes of clarity and consistency with CSU budget categories, positions are grouped as described below:

<u>CATEGORY:</u>	<u>DESCRIPTION:</u>
<u>Academic Faculty</u>	Faculty, Teaching Associates, and Graduate Assistants
<u>Department Chair</u>	Department Chairs
<u>SSPAR/Assist Deans/Other</u>	Student Service Professional Academic Related, Assistant Deans for Student Affairs and other academic positions
<u>Librarians</u>	Librarians
<u>Management</u>	Management/Supervisory classifications (including Deans)
<u>Support Staff</u>	Includes all other positions
<u>Education Coordinators</u>	Education Coordinators
<u>Student Assistant</u>	All Student Assistant classifications
<u>Work Study</u>	On-campus work study classifications

In the University Operating Fund presentation, these three circumstances apply:

- The employee benefit budget is based on prior year actual expenditures and is subject to redistribution based on current year experience. This budget includes benefits for revenue-based positions.
- The 2019/20 compensation budget includes compensation adjustments (and associated benefits) for certain bargaining units but has not been fully distributed by employee at this time. Therefore, salaries and wages for each division are reflected at 2018/19 rates.
- The 30% divisional contribution to on-campus work-study expenditures is included in the divisional salary budget. The off-campus and on-campus 70% Federal work-study allocation and expenditure are not included in the UOF presentation. These expenditures occur directly in the work-study fund and are included as Federal Work Study (presented in the Other Funds section).

Footnotes:

* Excludes non-operating actuarial adjustments for retiree benefits.

- (1) FY19 projected sales is lower than budget mainly due to Course Materials and Apparel. Course materials is down \$600k to budget due to the increase in students participating in the Immediate Access Program being larger than anticipated. Apparel sales are down due to a decrease in stadium attendance for both football and basketball.
- (2) FY19 projected sales is lower than budget due to the migration of sales to South Campus Plaza operations accepting meal plans. This was not budgeted for, as the decision was made in August after the budget was finalized. Sales are expected to increase in the FY20 budget due to 800 additional beds on the west side, the first year of second year live on requirement, and an expected 500 additional freshman meal plans. This is partially offset by a reduction in meal plan administration fees.
- (3) Minimum wage increase of approximately \$200k and 3% merit pool effective January 2020 which will be partially offset by impact of layoffs.
- (4) The FY20 budget increase is due primarily to higher furniture rental for 55th street apartments and property rent expense for South Campus Plaza. The increase also includes additional payments for CalPERS of \$367k.

Aztec Shops Budget Assumptions:

- a) 3.0% merit pool increase January 2020
- b) California minimum wage will increase \$1 from \$12 to \$13 on January 1, 2020
- c) Health costs projected increase 7%, Dental costs projected increase 3%
- d) Utilities increase 7%
- e) CalPERS increase 25.90%

Risks:

- a) Macro environment for course materials
- b) Football and men's basketball performance
- c) Aggressive Dining Services budget
- d) Inflation which can affect cost of goods sold
