

SDSU Summer 2016 Fee Payment - (as of 04/06/2016)

The following fees are applicable for the Summer 2016 semester only. The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code). For the most current fee amounts, check online at www.sdsu.edu/sas.

Students will be liable for amounts as a result of such changes.

Basic Tuition and Fees for the Summer 2016 semester are as follows:

As a part of SDSU's strategic plan to provide more opportunities for student success, a temporary reduction in the Basic Tuition fee has been approved for undergraduates this summer. Students at the San Diego campus taking 4 units or less will pay less than last summer. For example, students taking one 3-unit class will pay \$1,072, compared to \$1,416 last summer.
