## Fall 2022 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 -66028.6 of the Education Code).

Students will be liable for amounts that become due as a result of such change.

### Transition to my.SDSU

SDSU is transitioning to a singular portal: [my.SDSU](#) that will streamline the enrollment, registration, financial aid and student accounts processes. In addition to this change, SDSU will move to a "post-pay model" for paying Basic Tuition & Fees. This means you will now pay basic tuition and fees in [my.SDSU](#) after you have enrolled in fall 2022 classes.

Registration for fall 2022 will still take place in Webportal, however the payment of your Basic Tuition and Fees (including Non-resident Tuition and Professional Program Fees) will take place in my.SDSU.

**The due date for all [Basic Tuition and Fees](#) will be August, 15, 2022.** Students who fail to pay their Basic Tuition and Fees (including Non-resident Tuition and Professional Program Fees) will be canceled from their fall 2022 enrollment on August 16<sup>th</sup>.

To avoid enrollment cancellation, students must pay their Basic Tuition and Fees in full, enroll in a tuition payment plan, or have their 3rd Party documentation submitted to Student Account Services.

Students who register from August 15 through add/drop, will have a due date of 3 days following their enrollment, and will be canceled 3 days following the add/drop date.

FALL 2022		
Registration Period	Due Date	Cancellation Date
April 15 thru August 14	August 15 <sup>(a)</sup>	August 16 <sup>(b)</sup>
August 15 thru Add/Drop	3 days after enrollment	3 days after Add/Drop
Late Registration (after Add/Drop)	Pre-pay (manual process) <sup>(c)</sup>	N/A

All Cashier Holds must be cleared prior to paying for registration. Payments to clear financial holds must be made by cash, debit cards, money order, or certified check. Inquire at Student Account Services for more information.

## Liability of Payment

It is the student's responsibility to be aware of total fees due whether or not an invoice is received.

Students with an approved Petition for Late Schedule Adjustment must pay, in addition to the \$20.00 late add fee, any fees that may be due as a result of the added units. For example, if a student is currently enrolled in 6 units and has an approved Petition to add 3 additional units, in addition to the \$20.00 late fee, the fees for the difference between part-time and full-time fees are due BEFORE the [Office of the Registrar](#) will process the add request.

Please note: Dropping a class after the schedule adjustment deadline (based on approved Petition only) does not reduce your fee liability. If you are enrolled in 9 units and drop 3 units, you will still be liable for full-time Basic Tuition and Fees.

Students submitting authorization to bill a third party for their Basic Tuition and Fees will be held responsible for payment if the third party agency fails to pay. According to Title 5, of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid.

Prospective students who register for courses offered by the university are obligated for the payment of Basic Tuition and Fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay Basic Tuition and Fees including any amounts due for the reservation of space in the course.

## Basic Tuition and Fees

Basic Tuition and Fees are required of all students. Nonresident and Graduate Business students pay the Basic Tuition and Fees as listed below and additional per unit tuition and fees (see Professional Business

Fee and Nonresident Tuition sections below).

\*Campus fees are determined by your home campus (the campus to which you were admitted). If you transfer from one campus to another, you will be subject to your new home campus fees.

**Thesis extension, other zero unit courses and half unit courses are charged as one unit for fee purposes. Auditors pay the same fee as students carrying courses for credit.**

### Student Involvement and Representation Fee \$2.00 (SIRF – Optional Fee)

The CSU Board of Trustees adopted the SIRF, establishing a stable funding model for the [California State Student Association \(CSSA\)](#). The new funding model expands independence and builds capacity to engage students in advocacy and policy making. The funding model consists of a \$2 per-term fee assessed to each CSU student, on a voluntary basis, allowing the choice to opt-out each semester. SDSU students can opt out of this fee by logging into my.SDSU, selecting the following:

1. Select “Financial Account”
2. Select “Account Inquiry”
3. Click “SIRF Opt Out” button
4. Select Reason
5. Click “Opt Out”

The deadline for opting out of SIRF is 30 days after the term census date. For the Fall 2022 term that day is October 19, 2022.

### Professional Program Fee

Graduate students in the College of Business must pay **\$270 per unit** for all units taken as a requirement for graduation with the following degrees. This fee is in addition to Basic Tuition and Fees and Nonresident tuition.

- MS Accountancy
- MBA Master of Business
- MS Business Administration
- MS Information Systems

A fee waiver is available for courses that are not used to meet degree requirements (excluding prerequisite courses). Contact the Graduate Business Programs Office, EBA 448, for details.

**Your registration will be canceled if the Professional Program Fee is not paid by August 15, 2022.**

### Tuition for Nonresident Students (Foreign or Out-Of-State)

In addition to Tuition and Fees, foreign and out-of-state students will be charged tuition for all units attempted at a rate of **\$396 per unit**.

For tuition purposes, zero unit and half-unit courses are counted as one unit. Auditors pay the same tuition as students carrying courses for credit.

Tuition for Nonresident students may be paid using any of the methods outlined under Payment Options. **Non-Resident Tuition must be paid in full by August 15, 2022**. If you are subject to non-resident tuition and do not pay in full prior to the due date, your enrollment will be canceled. Students can also avoid enrollment cancellation by enrolling in a Tuition Payment Plan.

Health Insurance (mandatory for foreign students) is approximately \$1,282.00 per year.

Minimum Payment Requirements for Foreign Students:

- Undergraduate foreign students must pay for, or sign a tuition fee installment payment agreement for a minimum of 12 units.
- Graduate foreign students must pay for, or sign a tuition fee installment payment agreement for a minimum of 9 units.

For more information about IA please [click here](#).

**Please Note:** If your electronic check writing privileges are revoked, you will have to wait one (1) year to be reinstated.

### Wire Transfer Payments

Students paying in foreign currencies should use our International Funds Transfer (IFT) option in my.SDSU. Payments in foreign currencies are made via Western Union and automatically posted to the student account once received. Wire transfers through Western Union offer favorable exchange rates and eliminate bank fees typically charged for wire transfers. For more information on making payments through Western Union, please click [here](#).

### 529 Plan Payments

A 529 plan is a tax-advantaged savings account designed to be used for the beneficiary's education expenses. The account holder can use the funds to pay all or a portion of a student's Tuition and Fees at SDSU. We recommend that you request funds a month in advance to ensure that our office receives payment in time for registration. Visit our [529 Plan](#) webpage for detailed information.

## **Fee Waivers**

In some instances, student's tuition and fees may be partially or fully paid by outside agencies or waivers.

### **CSU - Over 60 Fee Waiver Program**

San Diego State University offers a fee waiver program for California residents 60 years of age and older. Both undergraduate and post-baccalaureate students may participate in the program. The program waives the \$70.00 admission application fee and most of the Basic Tuition and Fees. The student will be responsible for paying a substantially reduced fee each semester in order to attend. Please contact [Student Account Services](#) for the current fee amount. Participants must apply for admission during the regular application filing period and be admitted under regular SDSU admission requirements.

Participants register for classes on a space-available basis after regularly matriculated students have completed registration. For additional information, contact the [Prospective Student Center](#) at (619) 594-6336.

### **CSU - Alan Pattee Scholarships**

If you are the child of a deceased public law enforcement or fire suppression employee who was killed in the course of their respective duties, you will not be charged system-wide mandatory fees or any mandatory campus fees at any California State University campus. For information refer to the Alan Pattee Scholarship Act, California Education Code, Section 68121. Please be aware that you are still responsible for fees not waived by the Alan Pattee Scholarship.

New students qualifying for these benefits need to contact the [Prospective Student Center](#). Current students need to contact the [Office of the Registrar](#) to determine eligibility.

### **Third Party Billing/Approved Fee Waivers**

If an outside agency (agency, government program, Employee Fee Waiver, etc.) is paying all or part of your Basic Tuition and Fees, you will need to send a copy of your authorization letter to Student Account Services. Failure to do so will result in your fees being deducted from your financial aid award. Students submitting authorization to bill a third party for their fees will be held responsible for the payment if the third party agency fails to pay the fees within the semester of attendance.

Students should submit their authorization to Student Account Services prior to August 15, 2022 to avoid cancellation.

### **Veterans Readiness and Employment (Chapter 31)**

Veterans receiving Veterans Readiness and Employment benefits (Chapter 31) must contact the Campus Veterans Affairs Office (Student Services West 1661) to obtain a payment authorization form to submit to the Student Account Services office by their fee payment deadline.

### **VA Post 911 GI Bill Benefits**

Veterans receiving Post 911 GI Bill benefits must contact the campus Veterans Affairs Office (Student Services West 1661) and turn in an approved VA Certificate of Eligibility (COE) by their fee payment deadline.

### **Cal Vet Fee Waiver- Eligible Dependents of Deceased or Disabled Veterans**

Eligible dependents receiving the Cal Vet fee waiver must submit an approved letter of eligibility issued by the County VA for the current Academic Year to the campus Veterans Affairs office (Student Services West 1661). This must be submitted by your fee payment deadline. Once submitted the VA Office will notify Student Accounts of your eligibility to register for classes. Please note that the Cal Vet Fee waiver will only waive the CSU system wide basic tuition fee; all other mandatory campus fees are required to be paid by the student each semester.

The tuition fee waiver only applies to the system wide mandatory tuition fee and application fee. It does not apply to campus-based mandatory fees. ## **Disbursement of Financial Aid and Scholarship Funds**

All financial aid and scholarship payments are processed and disbursed by Student Account Services:

### **Notification and Schedule**

Disbursement begins 10 days prior to the first day of classes of each semester and continues throughout the semester as new awards are processed or changes to awards occur.

San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's basic tuition and fees, residence hall charges, and other institutional expenses (including financial aid overpayments) before releasing funds to you. Past due bills and other student account charges may delay the disbursement of funds until they are paid. Student Account Services will send you an email notice when your financial aid or scholarship funds are deposited to your bank account.

Direct Deposit is normally run on the following schedule:

- Mondays – For disbursement to bank account, by Thursday
- Wednesdays – For disbursement to bank account, by the following Monday
- Friday - For disbursement to bank account, by the following Wednesday

### **Receiving Your Funds**

At SDSU, eRefund (Direct Deposit) is the easiest, fastest and most secure way for students to receive financial aid and scholarships (the amount after institutional charges are deducted). Your refund may be deposited directly into your personal checking or savings account at your bank.

To enroll in direct deposit, log into your my.SDSU account and visit the student center.

{Please note that the bank does not disburse money into bank accounts on holidays.}

### **Parent Loans**

Parents can authorize the university to disburse excess funds from their Parent Loan directly to the student. Please see the Parent Loan request form for more details. When Parent PLUS Loan funds are available, any outstanding university charges are deducted and the remaining funds mailed to the parent or borrower or if the parent/borrower has authorized, the remaining funds will be deposited to the student's designated bank account. If mailed, Parent Loan checks are normally printed on the following schedule:

- Mondays - Checks are mailed either Monday or Tuesday
- Wednesdays – Checks are mailed either Wednesday or Thursday
- Fridays – Checks are mailed either Friday or Monday

### **View Disbursement Information**

To view a summary of how your financial aid disbursement was applied to your charges, please log into my.SDSU and click on the “Financial Account” Tile, followed by “Account Inquiry” and selecting “Account Activity”.

Before funds can be disbursed, you must be enrolled at least half time and you must resolve any financial aid and student account holds affecting your aid. For some types of aid, you may need to complete additional information before disbursement of funds.

- Cal Grant A or B Access Grant - A student may request that their Cal Grant A or B Access Grant be disbursed directly to them. This request can be made at any time; however, if the grant has already been disbursed, the request would affect only future payments. The request may be made in person to Student Account Services.
  - California Dream Act Service Grant - Students will be notified via their student email account when checks are available to pick up from Student Account Services.
- Federal Work-Study paychecks are disbursed monthly based on hours worked the previous month as submitted on a timesheet to your supervisor.

## Refunds of Non – Financial Aid Funds

If you are due a refund for either withdrawing from the university by the withdrawal deadline or dropping units by the schedule adjustment deadline you may enroll in eRefund to have the funds directly deposited into a personal checking or savings account.

Here are directions for enrolling in direct deposit:

1. Log into my.SDSU
2. Click on the “Financial Account”
3. Select “Enroll in Direct Deposit”

If you do not enroll in direct deposit, you will receive your refund in the following form:

- Basic Tuition and Fees paid using Checks, Money Orders, Certified Funds, Cash or Debit Cards, will receive the refund in the form of a SDSU check. All refund checks are mailed to the address on file with the [Office of the Registrar](#). Make sure that your address is updated on your [SDSU Webportal](#) to ensure timely delivery of your refund.
- Tuition and Fees paid online using our electronic Check /Savings accounts (ACH) process, will receive an electronic refund to the account used to make the payment.
- Tuition and Fees paid online using Credit Cards ([CashNet™ SmartPay](#)), will receive an electronic refund back to the credit card used to make the payment.

Tuition and fees paid by a 3<sup>rd</sup> party, (e.g. employer, government or military, foreign agency, etc.), payments will be refunded back to the 3<sup>rd</sup> party according to the regulations as stated in Section 41802 of Title 5 in the California Code of Regulations and following the Return to Title IV calculations.

Information concerning any aspect of the refund of fees may be obtained from [Student Account Services](#).

Refunds may be applied against other amounts due to the university.

## **Refund Policy**

Regulations governing the refund of mandatory fees, including nonresident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

## **Return to Title IV**

When a student who has received Title IV financial aid withdraws or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by law and determined by the university. If funds have been disbursed directly to the student, he or she may be required to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement, the university will notify you of the process required to receive the funds.

Title IV Financial Aid consists of the following programs:

- Unsubsidized William D. Ford Federal Direct Loan
- Subsidized William D. Ford Federal Direct Loan
- William D. Ford Federal Direct PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Teach Grant

## **Full refund**

To receive a full refund of Basic Tuition and Fees, Nonresident Tuition and Professional Program fee, you must officially withdraw, or otherwise cancel your registration prior to the first day of instruction for the term. A refund administrative fee of \$21.00 will be withheld. Students are not required to file a refund application.

**Please note: if you do not complete the official withdrawal process, and only drop your classes online, your refund will not be processed until after the census date.**

Students will also receive a full refund of mandatory fees under the following circumstances:

- The tuition and fees were assessed or collected in error.
- The course for which the tuition and fees were assessed or collected was canceled by the university.
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student.
- The student was activated for compulsory military service.

### **Tuition and Fees Prorated Refund Schedule (see schedules below)**

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of registration will be prorated based on the date of withdrawal and the percentage of the period of enrollment completed. A refund administrative fee of \$21.00 will be withheld. It is not necessary to file an application for refund.

Prorated refunds will be processed for a student's complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university after the 60 percent point in the academic period, or fails to officially withdraw from the campus shall not be entitled to any refund of Basic Tuition and Fees. After the drop/add deadline of the semester, schedule adjustments are only permitted for extremely serious, documented cases involving health or accident.

## **Fall 2022 Student Parking Fee Refund Schedule**

Parking Fee Refund information is available on the Parking Services website under the [Permit](#) link.

## **Appeal Process – Petition for Special Consideration**

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a “[Petition for Special Consideration](#)” obtainable at Student Account Services. Petitions must be filed with Student Account Services prior to the end of the twelfth week of classes.

Petitions outside the scope of published policy in accordance with the deadlines stated in the Class Schedule, Catalog, and registration material are approved only when applicants can demonstrate exceptional circumstances and the chief financial officer or designee determines that the university did not earn Basic Tuition and Fees.

The following situations are typical of those for which “exceptional circumstances” is an appropriate justification for reviewing accounts:

1. Unexpected Medical Situation: verifiable accident, illness, or personal problems serious enough to cause withdrawal from the University.
2. Schedule adjustments based on department recommendation.
3. Death in the immediate family.
4. Other unusual or very special cases, considered on a case-by-case basis.

The following situations would not fall under “exceptional circumstances”:

1. Grade anticipated in class is not sufficiently high, or the student is failing.
2. Dissatisfaction with course material, instructional method, and/or professor.
3. Class is harder than expected.
4. Pressure of other classes, participation in social activities, or lack of motivation.
5. Inability to pay.
6. Work conflict.

The petition is intended for students who dropped classes outside of the dates listed on the refund schedule or failed to make proper payment resulting in subsequent mandatory fees but feel they have an exceptional circumstance which prevented them from meeting their obligation.
