## Spring 2022 Prorated Refunds of Tuition & Fees

Beginning with the first day of instruction, refunds for withdrawal (complete cancelation of registration) will be prorated based on the percentage of the enrollment period that has elapsed. Prorated refunds are administered through the 60% mark of the term. After this date, withdrawals from the university shall not be entitled to any refund of Basic Tuition & Fees (registration fees).

A \$21 administrative fee will be withheld from refunds. After the add/drop deadline of the semester, schedule adjustments are only permitted for extreme and documented cases.
