

Certification Of Training For X-Ray Machine Use

I have been instructed in the appropriate use and safety features of the x-ray machine by the Principal Investigator and have read the x-ray machine training document provided by Environmental Health & Safety

At no time will I override any safety interlock for the x-ray machine. I will notify Environmental Health & Safety in the event of x-ray machine malfunctions or significant procedural change.

Principal Investigator, _____

Print Name of Operator _____

Signature: _____

Date: _____
