Site Safety COVID-19 Precautions

In all placements, whether or not there is client contact, San Diego State University is required to assess COVID-19 risks for all San Diego State University students associated with this assignment. To the extent practical, your site or organization must confirm and verify that the necessary safety precautions for all parties are implemented.

Please confirm by checking the following boxes:

☐ Confirm that San Diego State University participants/members will be provided or have access to the necessary personal protective equipment in accordance with Cal/OSHA InterimGuidance on COVID-19 for Health Care Facilities.

☐ Confirm that measures are being taken to prevent or reduce infection hazards have been implemented, such as those pursuant to the CDC Interim Guidance for Businesses and Employers to Plan and Respond to Coronavirus Disease 2019 (COVID-19).

☐ Confirm that everyone follows CDC Guidelines regarding recommendations for physical distancing, methods of minimizing exposure, and performing routine environmental cleaning.

☐ Confirm direct supervisors on-site will conduct orientation for the students that will include safety procedures and confirm who will be responsible for doing so.

I am an authorized representative of ______________________________ and can confirm that the safety precautions and programs are being implemented, with the understanding that any misrepresentations made within this form may result in termination of the participation agreement with San Diego State University.
